APPLICATION FOR COMMERCIAL & INDUSTRIAL LIGHTING REBATES

MEMBER QUALIFICATION

Applicant must be a current commercial or industrial class member of an electric co-op participating in Wabash Valley Power Association's Power Moves program.

HOW TO APPLY

1. Pre-approval is required for projects requesting incentive payments greater than \$2,000. To be pre-approved, please complete the entire application and submit one of three ways:
 - Fax to 219-750-9558,
 - Email to PowerMovesCandl@franklinenergy.com, OR
 - Mail to Power Moves Program, 8415 Virginia Street, Merrillville, IN 46410.
2. Within 60 days after installation, please submit a copy of the paid, itemized invoice(s) via email, fax, or US Mail to the address named above. Be sure the quantity, make, model number and unit price of each item appears on the invoice.
3. NOTE: Sending inadequate invoice documentation or incomplete/incorrect forms will delay incentive payment. Please make a copy of all documents for your records.
4. Complete an application form for each installation address.

- Be sure to include vendor quotes and equipment specification sheets with the completed application.
- Please allow 7-10 business days from application submission date for a reply.
- Call 877-653-8288 with questions on the application process.

TERMS AND CONDITIONS

INCENTIVE OFFER

- The programs may be changed or cancelled at any time without notice. Incentives are available on a first-come, first-served basis. Incentive amounts and offerings are subject to change or terminate without notice at the discretion of Wabash Valley Power Association.
- The member and contractor are responsible for contacting the electric cooperative to ask whether or not the program is still in effect and to verify program parameters.
- Pre-approval is required for projects requesting incentive payments greater than \$2,000. To be pre-approved, please complete the entire application and submit one of three ways:
 - Fax to 219-750-9558,
 - Email to PowerMovesCandl@franklinenergy.com, OR
 - Mail to Power Moves Program, 8415 Virginia Street, Merrillville, IN 46410.
- Please be sure to include vendor quotes and equipment specification sheets with the completed application. Please allow 7-10 business days from application submission date for reply.
- The maximum total incentive payment per member for all eligible projects and equipment types purchased and installed between January 1, 2012 and December 31, 2012 is \$25,000 per year.

GENERAL ELIGIBILITY

- Incentives are available for retrofit of functioning equipment, replacement of failed or non-functioning equipment, or addition of new equipment where none existed in an existing facility.
- Incentive items must be installed on the electric cooperative account listed on the application.
- All equipment must be new; used or rebuilt equipment is not eligible for an incentive.
- Equipment must meet the Technical Specifications listed in this application form. The Power Moves Program reserves the right to withhold payment for products that do not meet the requirements.

APPLICATION DELIVERY

- A signed application and installation invoice(s) must be received by Power Moves Program within 60 calendar days of the installation completion date. Invoice(s) submitted must include manufacturers' make and model numbers for each incentive item and/or original equipment manufacturer (OEM) specification sheets. Call your local cooperative for additional information.
- All completed submissions become the property of Wabash Valley Power Association and will not be returned. Please keep a copy for your records.

PAYMENT

- The incentive payment cannot exceed 75% of total project cost. Self-labor cannot be included in total project cost.
- The Power Moves Program will issue incentives in the form of checks to the member. Incentives will not be issued as utility bill credits.

VERIFICATION

- Wabash Valley Power Association reserves the right to inspect a member's facility for installation of materials listed on this incentive application and will need access to survey the installed project. If the inspection finds the member did not comply with program rules and standards, any incentive you have received must be returned to Wabash Valley Power Association.
- Wabash Valley Power Association reserves the right to refuse payment and participation if the member or contractor violates program rules and procedures. Wabash Valley Power Association is not liable for incentives promised to members as a result of the contractor misrepresenting the program.

PUBLICITY AND LOGO USE

Wabash Valley Power Association and the REMC reserve the right to publicize your participation in the program, unless you specifically request otherwise. Members or allies may not use the Wabash Valley Power Association or REMC logo or Power Moves logo in any marketing, advertising, or promotional material without written permission.

DISCLAIMERS

Wabash Valley Power Association and its member cooperatives:

- Do not endorse any particular manufacturer, product or system design by offering these incentives;
- Will not be responsible for any tax liability imposed on the member as a result of the payment of incentives;
- Do not expressly or implicitly warrant the performance of installed equipment (contact your contractor for detailed equipment warranties);
- Are not responsible for the proper disposal/recycling of any waste generated as a result of this project;
- Are not liable for any damage caused by the operation or malfunction of the installed equipment; and
- Do not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program.
