

POWER MOVES[®]

Energy Efficiency Programs from Your Electric Cooperative

Our ENERGY STAR LED Residential Rebate Program is ending.

As the price of LED bulbs has declined, so has the demand for rebates. Therefore, we're closing out our residential LED rebate program at the end of the year. If you're interested in a rebate, act now. Purchases on qualifying bulbs must be made on or before December 31, 2017. Applications must be postmarked by February 28, 2018 (or received electronically by the same date). We will continue to offer rebates for commercial and industrial LED lights. [Apply for one here.](#)
