Total rebate requested for my home:

Include receipt for all bulbs. Your rebate equals the total purchase price up to \$7.50 for each LED bulb you buy. Limit of 25 bulbs per member per calendar year.

Which of the following lighting systems did you replace with new LED bulbs?

This question *MUST* be answered to receive a rebate.

- Replacing Incandescent Bulbs
- Installed in New Construction Home

POWER MOVES[®]

Energy Efficiency Programs from Your Electric Cooperative

2016 Residential Program LED Lighting Rebate Application

PROGRAM GUIDELINES

• PARTICIPANT ELIGIBILITY

- This rebate is available for residential members of electric cooperatives that are members of the Wabash Valley Power Association. A list of participating co-ops can be found at www.PowerMoves.com, or call your electric cooperative to ask if they participate in this program.
- Rebated bulbs must be installed in homes served by participating electric co-ops.
- Rebate is limited to 25 bulbs per member per calendar year.

• PRODUCT ELIGIBILITY

- Program applicants and program participants may not use our logo or name without prior express written permission.
- Only ENERGY STAR qualified bulbs are eligible for this rebate. Look for the ENERGY STAR logo on the package. Or, check the product list at www.EnergyStar.gov

- This rebate is for bulbs only. Fixtures that contain LED bulbs are not eligible for this rebate.
- Offer good on ENERGY STAR-qualified bulbs purchased between January 1, 2016 and December 31, 2016. Application can be postmarked no later than February 28, 2017.

• DISCLAIMERS

- Offer subject to change or cancellation at any time without prior notice at the sole discretion of Wabash Valley Power Association
- WVPA does not guarantee the product's performance, nor does it provide any warranties, either express or implied.
- We reserve the right to deny a rebate if the product does not meet program qualifications.
