# TERMS AND CONDITIONS

This program can be changed or cancelled at any time at the sole discretion of Wabash Valley Power Alliance, with or without notice.

## ELIGIBILITY REQUIREMENTS

- Non-residential members of electric cooperatives participating in Wabash Valley Power Alliance's POWER MOVES® energy efficiency programs. Facility or business where rebated equipment is installed must be located on participating co-op lines. Please call your co-op to verify participation or see the list at [www.PowerMoves.com](http://www.PowerMoves.com).
- Program eligibility requirements are subject to change or termination with or without notice at the sole discretion of Wabash Valley Power Alliance.

## PROGRAM PARAMETERS

- All rebated equipment must be new; used or rebuilt equipment is not eligible for a rebate.
- Rebate items must be installed on the electric cooperative account listed on this application.
- Rebated equipment must meet program technical specifications.

## APPLICATION PROCEDURES AND DEADLINES

- Applications are to be submitted within 60 days after the project completion date. An invoice and all required documentation must be included for the application to be considered complete.
- Rebated equipment must be installed and operational on or after January 1, 2026 and on or before December 31, 2026. All applications should be postmarked by February 28, 2027.

## ABILITY TO CONFIRM INSTALLATION (RIGHT TO CONDUCT INSPECTION)

- Pre-install inspection: Wabash Valley Power Alliance reserves the right to inspect the program participant's facility to verify that equipment meeting program qualifications does exist prior to providing a rebate, and the program participant agrees to provide reasonable access to the premises for such purposes.
- Post-install inspection: Wabash Valley Power Alliance reserves the right to inspect the program participant's facility to verify that equipment matching the information provided on the program application has been placed in service at that facility, and the program participant agrees to provide reasonable access to the premises for such purposes.
  - Following a post-inspection, participants have 30 days to submit any additional information requested by Wabash Valley Power Alliance. Failure to submit requested information may result in application rejection.
  - If the post-inspection finds the owner or their contractor did not comply with program rules and standards, any rebate received must be returned to Wabash Valley Power Alliance within 60 days of notice of noncompliance.
- Wabash Valley Power Alliance reserves the right to conduct an additional post-install inspection for program portfolio evaluation, measurement, and verification (EM&V) purposes. Rebates received will not be affected by the results of this inspection.

## HOW PAYMENTS ARE TO BE MADE AND RIGHTS RESERVED WITH THE FORM OF PAYMENT

- The maximum total C&I prescriptive rebate payment per member is \$25,000 per year and the maximum for a custom project is \$50,000 per year.
- The rebate payment cannot exceed 75% of the Prescriptive project cost and 50% of the Custom project cost. Self-installation labor costs cannot be included in total project cost.
- Initial payment will be made to the member's REMC who will then distribute the incentive to the member or to a third-party, if requested on this application. Please allow 8-10 weeks after final approval is complete for incentive payment.
- Wabash Valley Power Alliance reserves the right to withhold payment for projects that do not meet the program requirements, as determined within its sole discretion.
- Program funds are limited. Rebates are available on a first-come, first-served basis.
- Rebate amounts, thresholds, and offerings are subject to change or termination with or without notice at the sole discretion of Wabash Valley Power Alliance.
- Wabash Valley Power Alliance is not liable for rebates promised as a result of program misrepresentation or lack of rules verification.

## LOGO USAGE

- Program applicants, participants or trade allies may not use our logo or name without prior express written permission.

## DISCLAIMERS FOR WVPA'S LIABILITY FOR PROGRAM PARTICIPATION

- Wabash Valley Power Alliance and its member cooperatives do not endorse any particular manufacturer, product, or system design by offering these rebates;
- Will not be responsible for any tax liability imposed on any program participant as a result of the payment of rebates;
- Do not expressly or impliedly warrant the performance of installed equipment;
- Are not responsible for the handling, storage, treatment, transportation, or disposal of any waste generated as a result of any measures for which rebates have been applied for and/or received under this program nor any resultant environmental contamination related to the same;
- Are not liable for any damage caused by the operation or malfunction of the installed equipment; and
- Do not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program.

## 2026 RETROFIT CUSTOM REBATE WORKSHEET

Please complete and submit this worksheet if you are applying for a custom rebate through the POWER MOVES® C&I Custom Program. For instruction on how to apply, please see **pages 6-7** of the application. Custom Rebate rules and requirements can be found on **pages 27-28** of the application and below. You may download additional copies of this worksheet from **PowerMoves.com**.

### CUSTOM REBATES REQUIRE PRE-APPROVAL

1. All rules and requirements of this program have been followed.
2. Applicant is a non-residential member of an electric cooperative member of Wabash Valley Power Alliance.
3. The rebated equipment has been installed and is operational prior to final submission of this application, unless this is being submitted as a pre-approval application.
4. A member electric cooperative of the Wabash Valley Power Alliance is providing the electric service to the installation site address listed on this application.
5. Applicant understands and agrees that neither Wabash Valley Power Alliance nor its member electric cooperatives assumes any responsibility or liability arising out of or related to applicant's participation in the POWER MOVES® program.
6. Applicant will allow inspection of the rebated equipment (if requested).
7. Applicant understands applicant will not receive a rebate if applicant's contractor fails to provide the requested documentation for the equipment installed in the applicant's facility.
8. It is understood that:
  - ✓ Rebates cannot exceed:
    - \$50,000 per calendar year per C&I member. Over cap requests will be considered but are not guaranteed, and should be made in writing to the POWER MOVES® Program Manager.
    - 50% of the project's cost.
  - ✓ Paybacks must fall between 1-7 years.
    - If the calculated rebate will provide the member a project cost payback of less than 1 year, the rebate will be reduced to achieve a 1 year payback.
    - If the project cost payback is greater than 7 years, no rebate will be paid.
9. Projects will need to follow basic POWER MOVES® specifications as listed in the other applications and will be based on the type of custom project. Contact your energy engineer for specific requirements for your project.
10. If you change equipment from what was pre-approved, we reserve the right to reduce or deny any rebate amount.
11. Self-installed labor cannot be included in the project cost.

*If signing in a capacity other than an individual capacity, the individual signing below hereby represents and warrants that s/he is duly authorized to execute and deliver this application on behalf of the applicant.*
